Documents: [MINUTES 3-2-15.PDF](#)
3. Updates From Committee Members
4. Event Coverage
5. Other Business
6. Adjournment

Minutes
Coventryvision Committee Meeting
March 2, 2015
Town Hall Annex

The meeting was called to order at 6:00 PM.

Present: Bob Plant, Bruce Stave

Absent: Dave Lamore, Konrad Mroczek

Updates:

Bruce Stave: Waiting to get back on schedule with Coventry Conversations filming. Bob Plant indicated he will be ready to resume filming in April. The best dates for him are Tuesdays and Thursdays. Bruce will check with Edith Prague regarding her availability for a 1:30 time slot. Bruce will be away toward the end of April so we will look to schedule a session in early May.

Bob Plant: The Land Use Consortium meeting was filmed and is being edited at Channel 14. He should get it back this week.

Laura Stone: The Leightronix equipment has finally been repaired and live broadcasts should be possible again. Upcoming budget meetings on March 4th and March 12th need to be broadcast.

The meeting on the 4th is in the Annex and the Budget Hearing on the 12th is at CHS Lecture Hall – we think school staff is covering that. Bob said he can be a back-up on 3/12 if school staff can't do it. Dave Lamore will cover the regular Council meeting on 3/16. Depending on how the budget process goes, there may also be meetings on 3/23 and/or 3/30. Laura will advise if coverage is needed. Konrad is finished with the Christmas video and will get it to Bob.

Committee Meeting Schedule:

We will skip the April CoventryVision meeting and resume with our regular schedule in May.

Event coverage:

The Economic Development Commission is doing a Farmers Market forum in April – it might be good to film that. Laura will advise.

The Annual Town Meeting is 4/25 - school staff usually films that.

Adjournment:

The meeting was adjourned at 6:18 PM on a motion from Bob Plant, seconded by Bruce Stave and unanimously approved.

Respectfully submitted,
Laura Stone
