

SPECIAL MEETING
Coventry Conservation Commission
February 3, 2016
Town Office Building–Development Conference Room

The Commission came together in a special meeting to take up two timely items of business. To expedite, we dispensed with our conventional agenda format.

Chairman Leroy Lowe called the meeting to order at 7:00 p.m. Other members present were Art Hall, Robert Proctor, Paul Manzone and Vincent Messino.

We reviewed minutes from our January 13, 2016 meeting. Paul Manzone moved to approve; Vincent Messino seconded. All were in favor and the minutes were approved.

- We examined Application#16-01, re-subdivision of Country Way Development, lots 3, 4, 5, 6 and 9 off Windy Hill Road. We have no comment on this application.
- Our intended discussion of the Commission's Patriots Park Woods management plan was curtailed owing to an administrative slip-up. We'll take up this project again at our next meeting.

Leroy Lowe moved to adjourn; Paul Manzone seconded. The meeting was adjourned at 8:00 p.m.

Our next regular meeting is scheduled for February 10, 2016.
