

Coventry Conservation Commission
SPECIAL MEETING
February 16, 2017
Town Office Building–Development Conference Room

The Commission came together in a special meeting to get input from Land Use on our bike plan. Conservation Chair Leroy Lowe called the meeting to order at 5:05 p.m. Other members present were Art Hall, Robert Proctor and Vincent Messino. Representing Land Use were Eric Trott and Mason Perrone.

Eric Trott outlined his vision for the bike plan to present a list of attainable goals presented as an action plan. He outlined how he hoped to see that come to fruition, including gleanings from the CRCOG Bike/Pedestrian Committee, of which he is a member. Eric recommended the Coventry bike plan's purview be expanded to include pedestrian access. Eric said he'd annotate the bike plan to incorporate his recommendations and forward the document to the Commission.

By acclamation the meeting was adjourned at 6:10 p.m.
