About The Trail...

⇒ The Patriots Park Woods site was purchased from the Town in June of 1979 along with the land that borders the lake. The site was a wood lot for over two centuries owned by the various prominent residents that lived on the corner of Cross & High Streets, primarily by the Rose Family.

- ⇒ This trail was constructed with an “America the Beautiful” grant.
- ⇒ Patriots Park Woods trail is not recommended for children in strollers due to difficulty of terrain in some areas.
- ⇒ The best time to hike the trail is May–November, due to water-related concerns.
- ⇒ Length of the trail is approximately 3/4 of a mile.
- ⇒ Patriots Park Woods has a wide variety of vegetation and wildlife for the hiker to enjoy and photograph.
- ⇒ When you have completed your hike and exit the trail, you can take a left to go back to the beginning, or take a right toward Veteran’s Memorial Park and Patriots Park. Great for sightseeing and taking pictures!
- ⇒ Relax & Enjoy!
