Certification by Applicant: (Please check as appropriate)

1. Is any portion of the property on which the regulated activity is proposed located within 500 feet of an adjoining municipality? Yes No

If the answer is yes you must send notice of the application by certified mail, return receipt requested, on the same day as filed, to the inland wetlands agency of the adjoining municipality. Documentation of such notice shall be provided to the Coventry Inland Wetlands Agency.

2. Will any traffic attributable to the completed project on the site use streets within the adjoining municipality to enter or exit the site? Yes No

3. Will sewer or water drainage from the project site flow through and impact the sewage or drainage system within the adjoining municipality? Yes No

4. Will water run-off from the improved site impact streets or other municipal or private property within the adjoining municipality? Yes No

5. Is any portion of the inland wetland or watercourse on which a regulated activity proposed within the mapped watershed boundary of a water company as defined by Section 16-1 of the Connecticut General Statutes? Yes No

If the answer to 5 is yes, notice to the water company by the applicant shall be made by certified mail, return receipt requested, within seven days of the filing of the application. Documentation of such notice shall be provided to the Agency.

The undersigned applicant hereby grants permission to the Agency and its Agent to conduct any necessary inspection of this property, at reasonable times, both before and after the permit in question has been granted by the Agency/Agent.

The undersigned warrants the truth of all statements contained herein and in all supporting documents according to the best of his/her knowledge and belief.
