RE: Stone wall

Dear Sir or Madame:

This correspondence is to bring to your attention that the stone wall that is located along the RTE 44 road frontage of your store was noted to be in disrepair. You may not be aware of the fact that the maintenance of the stone wall is one of the conditions of approval for the construction of the store several years ago.

Since it is a significant cultural feature that was preserved and enhanced as part of the development, its maintenance is important in order to preserve its integrity. Also, it serves as a significant aesthetic feature for your property.

Would you please make arrangements for it to be repaired so that compliance with the Planning and Zoning Commission approval can be maintained?

Please contact me at etrott@coventryct.org or 860-742-4062 to discuss this and your plans to address the stone wall repair.

Thank you very much for your anticipated cooperation.

Sincerely,

Eric M. Trott
Director of Planning and Development
