

*All correspondence for this application will be sent to this person only; it will be their responsibility to notify all others named on this application regarding changes to plans, meeting notices, etc.

~ APPLICATION POLICY ~

In order to provide a complete, timely, and legally compliant review of all subdivision applications, the Commission requires that all necessary information for filing of a formal subdivision application be filed with the signed application and fee at the time of submittal to the Planning office. The submittal requirements are outlined in Chapter III, Section 3, and are attached for clarification purposes.

This includes, but is not limited to any specific written requests for waivers of the subdivision regulations (i.e.: Open Space Subdivision Design) and supporting information for the Commission's consideration (i.e.: alternative design proposals).

Any application found to be incomplete may be denied by the Commission without prejudice to a future complete application.

RE: Resubdivision Land of Mark Wheaton 1022 Grant Hill Coventry, CT.

Dear Commission Members,

As agent for the owner, Mark Wheaton and per Chapter X of the Town of Coventry Subdivision Regulations, I am requesting the following waivers with the submittal of a formal application for the Resubdivision of the above referenced property.

1. Chapter IV, Sec. 3b1 (report of plant or animal species) - The parcel is not shown on the Natural Diversity Data Base as an area of concern.
2. Chapter IV, Sec. 3b2 - (report of historic or archaeological significance) - A letter will be sent to the State Archaeologist per the Regulations. A majority of the property has been disturbed by the farming use.
3. Chapter XIII, Sec. 6a- (minimum percentage per Sec. 4.12.04a of Zoning regulations)- based on the following characteristics of the proposed subdivision.
 - a.) The nature of the proposed development
 - b.) The nature of the resources present on the land
 - c.) The size of the subdivision
 - d.) Road access
 - e.) The shape of the parcel
6. Chapter IV, Sec. 4 – (Hydraulic study) No roadway or storm drainage systems are proposed.
7. Chapter IV, Sec.2.8 – No road system is proposed.

If you have any questions or require additional information, please contact me. Thank you for your consideration of this request.

Sincerely,

Andrew F. Bushnell PELS.

cc: Mark Wheaton
