Policy

It is the policy of the Town of Coventry Fire-EMS Department to have a mission statement, vision statement and a set of core values from which all things we do should address.

Purpose

These statements provide guidance, direction and framework for the Fire Department to make decisions and policies.

Mission Statement

The Town of Coventry Fire-EMS Department is committed to providing fire suppression, emergency medical services and training to protect the residents, businesses and visitors of Coventry. The department promotes accountability, public safety, education and customer care in a fiscally responsible manner.

Vision Statement

In the next 2 years, the Town of Coventry Fire-EMS Department will operate as one organization. We will increase our public education program, continue to participate in community events and provide top quality customer service to the residents and visitors in our town.

Core Values

Dedication – Teamwork – Respect
