

Sewer Connection Permit App Checklist

- Applicant must have a P-1, P-7, or W-9 plumbing license, liability insurance, and current sewer bond.
- All taxes must be current.
- Proposed plan showing location of pipe, cleanouts, graywater connections, and distance to drinking water supply.
- If the contractor knows the venting is good the homeowner can schedule a venting inspection. If they're unsure check with the Building Official before scheduling the inspection.
- All new sewer connection permits are \$200.
- Reconnection of sewer for re-build / remodel are \$100.
