We are writing to support live music at Cassidy Hill which has been a wonderful venue in Coventry for many years now.

Subject: [EXTERNAL] Music permit at CHV

Hello Mr Trott, I'm commenting in the hope to restore the permit to allow CHV to resume the music. I am part of a duo, Sweet Surrender, who enjoy our yearly gig at CHV. Every year we bring our gift of music to the vineyard to entertain the many people who just want to take a break from the "world's issues", sit back and converse with friends & family for two hours. Music soothes the soul and gives people hope. We've gone through Covid, hate crimes, poverty, senseless violence against the weak, the innocent and the elderly and the destruction and devastation of war. The world needs this more than ever. Please consider this and I hope the vote to restore the permit is considered. (My 100 year old mother, who has come to hear us play since 2014, is hoping to hear us play again at CHV.) Thank you.

Subject: [EXTERNAL] Cassidy Hill Vineyard events

Hello,

I would like to encourage the town of Coventry to support the measure to allow Cassidy Hill Vineyard to host their wonderful Friday afternoon/eve music program, which we have been attending for several years.

The beautiful setting at CHV is ideal for these mellow gatherings, which feature a relaxed atmosphere, very mature crowd (we are in our 60's and see many folks our age or older attending).

I believe the events are very respectful of the neighboring area, given the 6pm-8pm timeframe and the fact that entertainment that is provided is not very loud.

Please consider supporting their future events. It brings us from Ellington over to Coventry several times a year.

thank you,
Rob & Lori Thomas
