Location: North School Road

Intent: Rescind Scenic Road designation

Application Received: June 13, 2022

Application Acknowledged: June 13, 2022

Public Hearing Opened: July 25, 2022

Public Hearing Continued: September 26, 2022

Review: The public hearing on the subject application was opened at the July 11 meeting and a volume of testimony was provided that both supported the proposal and was opposed to it from residents on the road. The hearing was continued to allow for the preparation of the report on North School Road from the UCONN Transportation Institute. A meeting/site visit occurred in late August between the TI and Town Staff. The Director of Public Works indicates that the report should be available at the end of the month.

It will be necessary to further continue the public hearing to allow additional time to receive this report.
